

## The AquaTrek Ladder

The AquaTrek Ladder lets you walk into your pool. People of all ages can enter and exit your pool with ease by simply walking forward. Wide treads and handrails provide the required stability. The AquaTrek Ladder is easily removed for automatic pool cleaners, retractable pool covers and solar blankets.

**Durable and Lightweight**  
**Large Non-Slip Safety Treads on Each Step**  
**Portable and Removable**  
**Built to Specifications of Your Pool**  
**Full One-Year Warranty on All Parts**  
**Available in 4, 5 or 6 Step Models**

## The AquaTrek Step

Have you ever wanted your own removable stairway to make getting in and out of your swimming pool easier? With the AquaTrek Step, you can do just that! The AquaTrek Step will provide your swimmers with safe, easy and comfortable access to your pool. In addition, it can be removed by your staff in minutes and rolled away on the wheels built right into the steps.

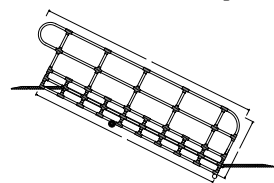

**Durable, Noncorrosive Construction**  
**Large Non-Slip Safety Treads on Each Step**  
**Lightweight and Portable**  
**Built on Wheels for Easy Transport**  
**Walk Forward to Enter and Exit**  
**Available in 6, 7 or 8 Step Models**

## The AquaTrek Ramp

The AquaTrek Ramp lets people of all ages enter and exit your pool with ease. Clients can either walk down a gentle slope, or be wheeled into the pool in a wheel chair. It is easily removed for automatic pool cleaners, retractable pool covers and solar blankets. It can also function as a three-in-one system of a ramp, a stair and underwater parallel bars.

## The AquaTrek Wheel Chair

With the use of single, double and triple Nylatron bushings, continuous ease of motion can be ensured. These bushings are designed and custom manufactured exclusively for our AquaTrek Wheel Chair. With the use of Nylatron bushings in place of steel bushings, we are also able to combat any potential for wheel seizure.

*The AQ-350-WC Wheel Chair*
